- If additional games are required they are added by USA as suspensions.
- When the next score is entered for a team with a red card, the line no longer appears through the player's name.

Incident tracking continued.

- Referee can enter scores, and additional info.
- Indicate as an incident a player serving a red card, or a red lined player who participates.
- If a game is cancelled, indicate that in the appropriate area of the game report
- If a game is abandoned, indicate that in the incident section.
- Use the game incident section for all unusual incidents, including if the game appears forfeited. USA league will make final determination.

Paper Game Reports

- For the 2011-2012 Jr. Season, teams will provide referee with paper game report and game card.
- Referee will complete game report, and keep game cards
- Referee will still send paper copy and game card (or roster) to assignor as listed on game report, AFTER game is entered into Got Soccer
- USA will update procedures for the 2012-2013 season.
